

HAWKE'S BAY ORIENTEERING CLUB

PREVIEW 2014

For details of coming events and event results refer to our club website at:
www.hborienteering.com

WHAT IS ORIENTEERING?

Orienteering is a sport which involves using specially drawn maps and sometimes a compass to navigate around a pre-set course.

It can be either a competitive sport or simply a relaxed walk where you enjoy the countryside.

All ages and abilities are catered for, so this makes orienteering an ideal family sport.

You won't need any special equipment, simply wear shoes suitable for walking or running.

I can't read maps! What better way to learn – there will be someone at an event who can assist and point you in the right direction.

As a club we are very dependent on the goodwill of landowners who allow us access to their properties.

For this reason, dogs and cigarettes are not welcome at our events.

Our Vision Statement

All people in Hawke's Bay will recognise Orienteering as a genuine sport or recreation, and will have the opportunity to experience and enjoy it.

Summer Series events start between 6.00pm and 7.00pm, and at all other events you can start anytime between 10.30am and 1.30pm. The courses will close at 3.00pm, which means controls will be removed from this time. If still on your course, please return to the finish.

COURSE DESCRIPTIONS

At all events we offer a range of courses which vary in length and difficulty. The difficulty level is described by a "colour", which is a national standard for that level of course.

What do those "colours" mean?

WHITE COURSE

Courses must follow drawn linear features (tracks, fences, streams, distinct vegetation boundaries, etc.). A control site must be placed at every decision point (eg. a turning point, a track junction or a change in the type of linear feature - from following a track to following a stream). All control markers must be visible from the approach side. Where the course has to deviate from the handrail feature (e.g. to cross through a forest block), the route must be marked all the way until a new handrail feature is reached. The Start Triangle shall be on a linear feature. If no such feature is available, then there must be a taped route all the way from the start to a linear feature (ie. The first control). Compass use is limited to map orientation only. No route choice is offered. Doglegs (which is where the likely entry route to the control and the likely exit route from the control are the same) are permitted.

Used for: M/W-10, M/W-12B

YELLOW COURSE

Control sites must be on or near (<50 m) drawn linear features (tracks, fences, streams, distinct vegetation boundaries, etc) but preferably not at turning points. This gives the opportunity to follow handrails or to cut across country (i.e. limited route choice). Control sites shall be visible from the approach side by any reasonable route. Compass use is limited to rough directional navigation. Contour recognition is not required for navigation but simple contour features may be used for control sites. Doglegs are permitted.

Used for: M/W12-A, M/W-14B, adult C classes

ORANGE COURSE

Course shall have route choice with prominent attack points near the control sites and/or catching features less than 100 m behind. Control sites may be fairly small point features and the control markers need not necessarily be visible from the attack point. Exit from the control shall not be the same as the entry (doglegs are not permitted). Simple navigation by contours and rough compass with limited distance estimation required. Use of a chain of prominent features as "stepping stones" is encouraged.

Used for: M/W14-A, M/W-20B, adult B classes

RED COURSE

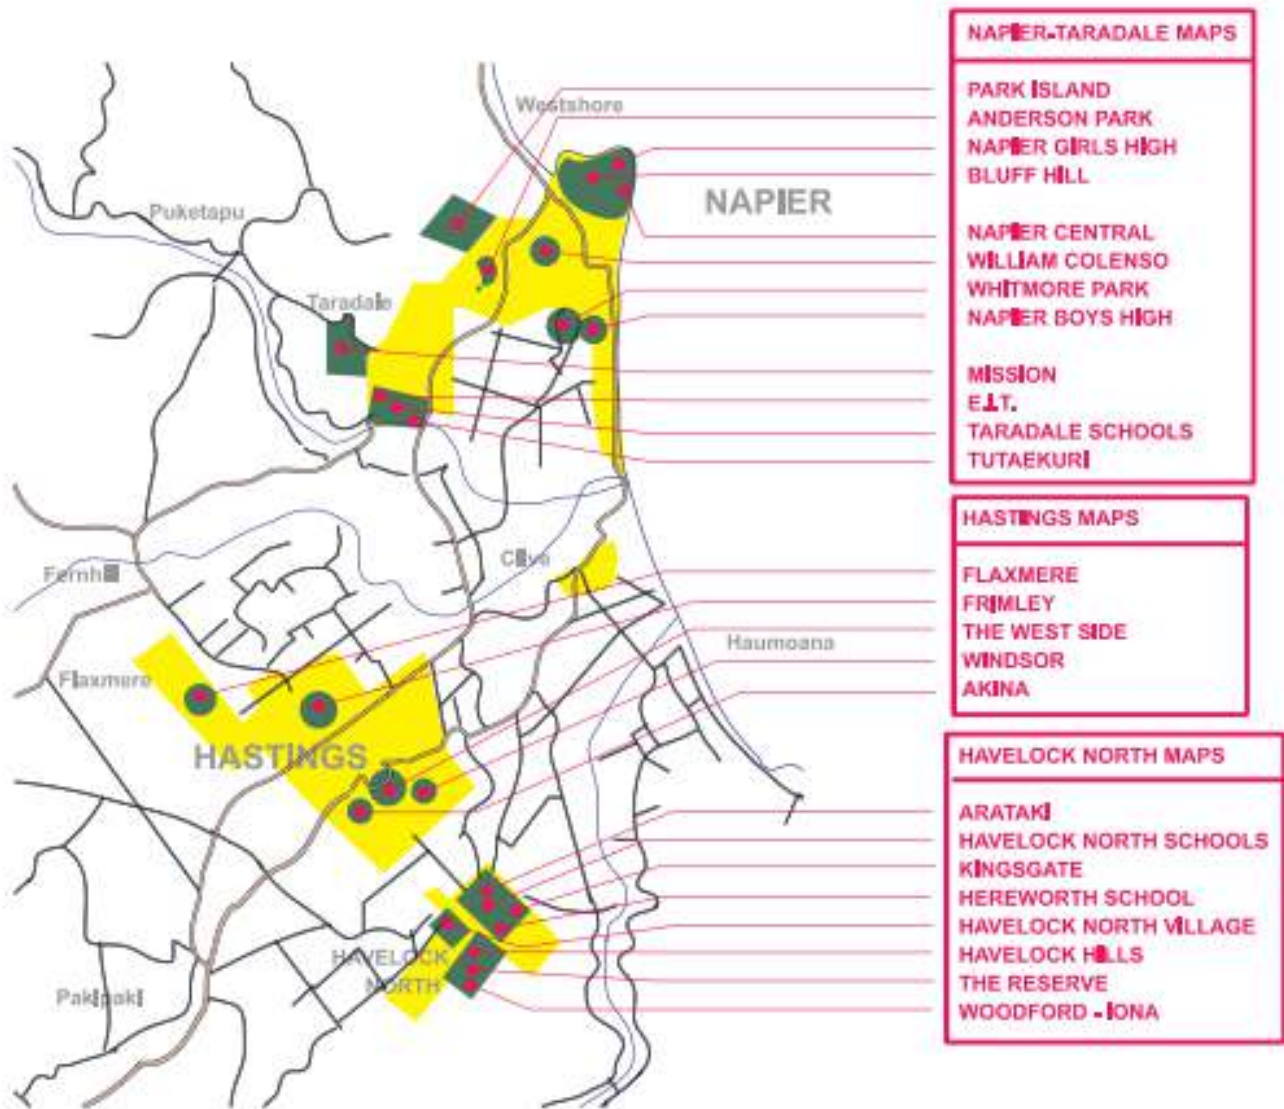

Navigation shall be as difficult as possible with small contour and point features as preferred control sites (no obvious attack points, no handrails etc.). Control sites shall be placed in areas rich in detail. Route choice shall be an important element in most legs. Doglegs are not permitted. Note: It may be impossible to set RED courses on some maps.

Used for: all other A classes including and above M/W16-A (includes both long and short courses), Elite classes.

EVENT PREVIEWS

SUMMER SERIES

This is an opportunity for some early season training for experienced members or for newcomers to give orienteering a go. There will be loop courses and a white course.

This series is a lot of fun, so come along and give it a try.

| | |
|-------------|------------------------|
| January 22 | Kaiwaka |
| January 29 | Taradale Schools |
| February 5 | Westside, Hastings |
| February 12 | Park Island |
| February 19 | Havelock North Village |
| February 26 | William Colenso |
| March 5 | Woodford –Super Sprint |

Start 6.00pm - 7.00pm.

HAWKE'S BAY CLUB CHAMPS – 24 August

This is the most important club event of the year and is open to all members. It is the day that, whether you are M18 or W open B, M open or W12, you can win the Championship for your grade.

Courses and grades for this year's Club Championships (to be confirmed) will be -

| Course | EWT (minutes) | Grades |
|---------------|----------------------|------------------------------|
| Red long | 70 | M open, W open |
| Red medium | 50 | W open, M40, M50, M18 |
| Red short | 40 | M60, M70, W40, W50, W60, W18 |
| Orange long | 45 | M open B, M16 |
| Orange short | 40 | W open B, W16 |
| Yellow | 35 | M14, M novice, W14, W novice |
| White | 25 | M10, W10, M12, W12 |

HAWKE'S BAY SCORE CHAMPS – 12 October

This will be held on the "Ranui" map. Grades are Men's Open, Women's Open, M16, W16, M55 and W55. The trophies are awarded to the highest men's and women's scores irrespective of grade.

ORIENTEER OF THE YEAR (OY) SERIES

Format

- The OY competition is open to all club members.
- The competition comprises 7 races, of which the best 6 performances count towards a final score.
- The courses offered with their Estimated Winning Times (minutes) are in the table below:

| Course | Long Distance | Middle Distance | Sprint |
|------------|---------------|-----------------|--------|
| Red Long | 70 mins | 42 | 12-15 |
| Red Medium | 50 mins | 30 | 12-15 |
| Red Short* | 40 mins | 24 | 12-15 |
| Orange | 45 mins | 27 | 12-15 |
| Yellow | 35 mins | 21 | 12-15 |
| White | 25 mins | 15 | 12-15 |

* Red Short Vet and Red Short Super-Vet competitions are also provided.

- There will be separate competitions for men and women on each course, except Long and RSS-V.
- There will be a separate section on Red Short for M40 and W40, known as Red Short Vet.
- There will be a separate section on Red Short for M60/W60, known as Red Short Super-Vet.
- Club members may compete on whichever course they choose.
- Members are eligible for points once they complete a course, without assistance.
- Once a member has competed in two events on one course, this then becomes the only course for which they can score points.

Scoring

- Points are awarded to each member, based on the following formula and calculated to 2 decimal places: $(Winners\ time \times 25) / Your\ time$ or $(Winners\ points \times 25) / Your\ points$
- Setters and vettors receive the equivalent of their best points during the year, for the event that they organise. To be eligible for these points they must be present and assist with the running of the event on the day. In extraordinary circumstances (eg a family bereavement), this requirement will be waived if they have taken full part in the planning of the courses.

Protests

- Protests may proceed in accordance with the club protest rules.
- In cases where a protest is upheld, no points will be awarded for the class which is invalidated. The OY competition for this class will then be decided on the valid races for the year, with the allowance that each competitor is allowed to drop their worst score, to determine their final points.

Review

- The committee will review these rules prior to the commencement of each annual competition. This year's OY competition is being held on the following dates:

| | |
|-------------|-------------------------|
| April 13 | Maratotara (Long) |
| April 27 | Tangoio West (Middle) |
| June 22 | Whanawhana (Middle) |

KATOA PO - ALL NIGHT RELAYS – 22nd February

This year is the 34th annual Katoa Po night relays, hosted by the Taupo club. As in previous years, the relay will be held on Saturday night. Competitors travel to Taupo on Saturday, set up camp near the start/finish area, then the relay starts at about 8.30pm. This year the event is to be run on a map known as The Rangatira East.

FRANK SMITH TROPHY – TBA

This is an inter-club event involving all clubs in WOA (Wellington Orienteering Association) - Wellington, Hutt Valley, Wairarapa, Kapiti Havoc, Red Kiwis and Hawke's Bay. HB is gaining an enviable record at this event, so once again we require a healthy club turn out to battle for the trophy this year.

The event is hosted by one of the Wellington Orienteering clubs and the club will subsidise minibuses to ensure we have maximum attendance. However, if bus travel isn't your thing then feel free to travel to the event independently.

RED KIWIS CHALLENGE – TBA

This year is the 35th inter-club challenge. The Club will subsidise transport to this event also.

HAWKE'S BAY SCHOOL CHAMPS – 25th May

This event is open to all HB school students with grades for primary, intermediate and secondary (junior, intermediate & senior).

This year the event is being held on a farmland map – “Fire Station”. Entry forms will be available late April and an inter-school competition will again be held – so organise your school mates and bring them along to a few events earlier in the year.

HAWKE'S BAY SCHOOL RELAYS – June 8

This event will be held on the “Tauroa” map and is open to all HB School students.

SECONDARY SCHOOL ORIENTEERING

There are a number of events on the Secondary Schools calendar leading up to the nationals in July. Students in the club may like to note these:

| | |
|--------------|--------------------------------------|
| May 1 – 3 | North Island Champs, Waikato |
| May 25 | Hawke's Bay Champs |
| June 5 | Hawke's Bay Sprint |
| June 8 | Hawke's Bay Relays |
| July 17 – 19 | New Zealand Champs, Counties Manukau |
| August 8 | New Zealand Rogaine, Bay of Plenty |

ARE YOU INTERESTED IN ORGANISING A SCHOOL TEAM IN 2014?

Parents, teachers or anybody who is interested in organising a school team are vital people in the development of any sport. Are you interested in organising a school orienteering team in 2014? Please contact Catherine Howell, if you are interested or if you have any questions.

MAJOR EVENTS

These are the quality events on the national calendar which are often run on new maps or on very good older maps. Orienteers come from all over the country to participate in these events so it is an opportunity to pit yourself against some of the best in your grade and to experience orienteering in other parts of the country.

It is necessary to pre-enter and entry forms are found via club websites. Closing dates are normally about 3 weeks prior to an event, although it is possible to enter later by paying a late entry fee. Courses are pre-marked on the maps and your start times are pre-determined.

Major events on the calendar this year are:

| | |
|-----------------|--|
| March 28 – 30 | The Orienteering North Island Champs, (<i>TONIC</i>)– North West, Auckland |
| April 18 – 21 | NZ Champs – Manawatu / Wellington |
| May 31 - June 2 | Wellington Region Champs - Manawatu/Wanganui (<i>Queen's Birthday</i>) |
| October 25 - 27 | Auckland Region Champs, Auckland (<i>Labour weekend</i>) |

ROGAINES

For those who are seeking a bit more challenge, then a Rogaine may be the answer. Rogaines are basically long-distance score events – controls have a points value allocated to them and the object is to maximise your score, by collecting as many controls as possible within the allowed time. The events are held on 1:50,000 maps and you are usually guaranteed to view some spectacular scenery during your travels.

Keep an eye out for the following events during the year:

July 27 Debra Turner Memorial event

OCEANIA

This is an international event held every three years. The next Oceania Championship event starts 2nd January 2015 in Tasmania, Australia. This gives you a chance to compete against overseas orienteers in several races. See the official website www.oceania2015.com more information.

CLUB INFORMATION

COMPASSES

Competitors are welcome to borrow a compass for use on their course.

- Hire fee for a Thumb compass is \$1.00 per event. Base plate free hire.
- You are responsible for returning any borrowed compass to the Caravan.
- If the compass you borrow is lost or broken, you will be responsible for replacing the compass or compensating the club for a replacement.
- Replacement values are currently approximately – Thumb \$200, Base Plate \$40

WEBSITE & FACEBOOK

For up-to-date information on coming events, news, international symbols, event organization, course setting and results visit our website on www.hborienteering.com. Some information and additional items are found on the club facebook page.

MAP CARDS

Cost is \$28 for 5 individual events or \$72 for 5 family events - your maps are discounted and reduces the need to carry cash. Purchase these cards from the caravan.

SPORTIDENT

We will be using electronic timing at most of our events in 2014. With this Sportident system there will be a need for competitors to carry an electronic stick. You are responsible for registering your sportident at the computer before your run and downloading your sportident at the computer after your run. Sportidents can be hired at each event for a small charge (\$1) or new ones may be purchased. If the sportident you borrow is lost you may be charged \$50 for a replacement. Other versions to those on sale can be purchased via www.mapsport.co.nz.

CLUB O-TOPS

Would you like to purchase one of those distinct HB tops in bright green, black & white? Ask a committee member how you can order a new style orienteering shirt.

PUBLICITY & CANCELLATIONS

All club events are advertised on the club website and on our facebook page. Results are usually available on the Sunday evening following an event on the website.

An email service also operates for club members, advising coming events and other orienteering news. If you would like to be added to this distribution list, please forward your email address to membership@hborienteering.com.

In the event of bad weather, an event may be cancelled if it is considered unsafe for competitors. Cancellations will be posted on the website and emails sent to members, before 8am on the morning of the event. Committee members will also attempt to telephone all non-computer club members.

TRAINING & COACHING

The year starts off with a Junior Coaching Camp in January. Information is available on the website. For those who wish to improve their orienteering, the importance of using club events for practicing techniques cannot be under-estimated. If you need assistance, please contact Club Coach, Geoff Morrison.

INTERNATIONAL SYMBOLS

These are the symbols which are used to describe control sites. So wherever you orienteer in the world, these symbols will be used and there is no need to know the local language to compete.

Booklets of these symbols and examples of control site descriptions are available at the caravan for \$2. The booklet also contains a glossary of orienteering terms - words like re-entrant, spur, knoll, thicket, etc. which frequently come up in orienteering conversation.

Before you start an event always check out any terms or symbols that you are unsure of, as this vital piece of information may make finding the control a little easier.

LIBRARY

The Club has a good range of books available on all facets of the sport. The library case is stored in the caravan and the books are always available for loan to club members.

HEALTH AND SAFETY POLICY

Hawke's Bay Orienteering Club is committed to providing an enjoyable and safe environment to all participants at every orienteering event.

Club responsibility:

- Ensure all participants are aware of any significant hazards that they can be expected to encounter while taking part during the event (refer to the Hazard ID form which is displayed on the notice board beside the caravan window)
- Have procedures in place that can be followed in the case of injury and illness (refer Emergency Procedures form displayed in the caravan)
- Have procedures in place that can be followed in the case of a participant becoming lost or missing (refer Search and Rescue form displayed in the caravan)
- Ensure that all Organisers and Controllers are aware of the above procedures

Participant's responsibility:

- Read all notices concerning the special hazards that may be associated with the event
- Obey all instructions and warnings
- Keep clear of any plant or equipment
- Keep clear of any unauthorised areas or farm buildings
- Avoid disturbing livestock and keep away from all work activities
- Not allow children to wander unsupervised
- Carry a whistle
- Notify the organisers of any health problems. eg diabetes, asthma, angina etc

Landowner's responsibility:

Landowners are not responsible for the natural hazards and risks associated with orienteering and attendant activities.

WE ARE DEPENDENT ON THE GOODWILL OF OUR LAND-OWNERS, SO PLEASE TAKE YOUR RESPONSIBILITIES AS A PARTICIPANT SERIOUSLY.

COMPLAINTS AND PROTESTS PROCEDURE

The following procedure applies to the Club Championships, the Club Score Championships and events comprising the Club's Orienteer of the Year series.

- 1 A **complaint** may be made regarding infringements of the NZ Orienteering Federation's Competition Rules, so far as they apply to these events.
- 2 A complaint may be made by a competitor only, in respect of his or her course, or by the parent or guardian of a junior competitor.
- 3 A complaint shall be made, either verbally or in writing, to the controller of the event, within 30 minutes of the affected competitor finishing. The controller shall adjudicate on the complaint and the decision shall be advised to the complainant within 30 minutes. Details of the complaint and the controller's decision shall be prominently displayed immediately so that all competitors affected may be aware of the issue giving rise to the complaint and the decision. In the case of a complaint or protest made on behalf of a junior, the time requirements may be relaxed.
- 4 The controller shall deal with complaints in a manner that the controller feels is necessary to ensure the fairest result for competitors.
- 5 If a complaint regarding an element of a course is upheld, only the class containing the protestor(s) shall be invalidated.
- 6 A competitor affected by the controller's decision on a complaint may **protest** that decision. Any protest shall be made in writing to the controller within 30 minutes of the decision being displayed. In the case of a competitor completing or abandoning the course after the decision has been displayed, the time for protest by that competitor shall be extended until 30 minutes after completing or abandoning the course.
- 7 The protest shall be referred to a four-person jury comprising:
 - The event controller, who shall not be entitled to vote.
 - Three NZOF A-grade controllers present at the event but not involved with the class concerned and having no personal association with competitors in that class. If more than three are eligible, they shall themselves determine who shall act.
 - Failing the availability of sufficient A-grade controllers as above, such other members of the HBOC committee as may be present but not involved with the class concerned and having no personal association with competitors in that class. The event controller shall select such persons.
- 8 The jury shall make and announce their decision as soon as possible, given the circumstances. Their decision will be final.
- 9 No fee is payable for a complaint or protest.

Complaints and protests after the event.

- 10 Where a competitor does not have a reasonable opportunity to lodge the complaint on the day of the event, a complaint may be made within a reasonable time after the event. This procedure applies to issues that are not apparent until the results have been published. The procedure set out above, modified as necessary, also applies to complaints and protests after the event.

CARAVAN USERS, SETTERS AND ASSISTANTS CHECKLIST

A full set of checklists and operating instructions for the caravan and equipment are on the website (see under “Resources”). This information is also inside the caravan. During the year all members will be asked to help run at least one event. Please refer to the checklists prior to you going out to the event to ensure smooth running of your day.

MOST IMPORTANTLY: PLEASE ENSURE EVERYTHING IS RETURNED TO ITS CORRECT PLACE FOR THE NEXT PERSON.

LEAVE THE CARAVAN THE WAY YOU HOPE TO FIND IT!

FOLLOW THE MAP, WHICH IS ON THE WALL IN THE CARAVAN.

REMINDER TO ALL COURSE SETTERS

A lot of this information can be found on the website under “Resources”.

Once you have completed your course setting a report needs to be emailed to Hugh Forlong-Ford regarding the day’s event for publishing in Compass Points alongside the results.

EQUIPMENT USE

If anyone is borrowing any equipment from the caravan or Mardon’s shed, please let Murray Harty know. This will make accessing equipment so much easier for everybody.

If you wish to hire club equipment please consult with Murray Harty well before your event. An equipment booking form will be provided and an appropriate charge may be requested.
