Katoa Po

On the 9 March weekend we were represented at the Katoa interclub night relays by two 7-person teams and two 5-person teams.

Club captain and trip organiser Bayley calls Katoa Po "the best o-event of the year" and said of this year's, "It was great!". This has ratcheted up our determination to make it an even bigger and better trip next year, so we release a flood of our great green and black o-tops onto the fields of Taupo next year and put those upstarts from North West in their place.

The website says this was the 39th running of Katoa Po, meaning 'all night'.

In the 7-person relay, usually considered the elite event, our intrepid team of Rani, Pierson, Amy, Tessa, Braeden, Bayley and Scott placed second. I'm told they led for some of it. Well done, guys.

Our other 7-person team of the Franks Max and Murray, Harveys Daniel and Kevin, Will, James and Aiden placed third, a breath-taking one second ahead of fourth-placed Auckland.

Great work, all those who went

Steve Armon
