Club Newsletter 4 July 2020

*As we run around Arborfield tomorrow, America will be having a day off.
Phew!*

Arborfield update

Further to earlier information sent out about tomorrow's event: the SI Air system will be ON. Check what you need to do at the finish if using an SI Air chip. All club events will be SI-Air capable from now on.

Pre-pay and Pay-on-the-Day are all go. Usual fees (as in 2019 level fees) apply.

Club Runs available after HB Schools Events

Casual runs will be available after the Hawke's Bay Schools Champs events on SATURDAY 18 JULY (Note: the sprint and the relays are both on Saturday to reduce the commitment needed by volunteers, runners and supporters; and to avoid the Sunday Market as the relays are to be held at the HB Showgrounds.)

Casual runs/club runs will be available at EIT (following the schools sprint) and at HB Showgrounds (following the schools relays). The next newsletter will give more information about both these club opportunities.

Those who help out at either of the school events will get a voucher for a free run; if helping at both, two free runs. These can be redeemed at any club event, not just those on the day.

Help needed at the HB Schools Champs

Anyone who can give a hand at either or both of the HB Schools Champs events on Saturday 18 July, please email Cryn and Sue schools@hborienteering.com or speak to one of them at tomorrow's event.

You don't necessarily need any special o-knowledge or skills. There are plenty of jobs and you can be shown what to do.

Orienteering Training Days Coming Up in July . . .

Hi All

There is a great weekend of course training coming up . . . Saturday and Sunday, 11-12th July.

Venue: Havelock North Primary School Hall.

Saturday: 9.30 – 4pm. (BYO lunch)

Sunday: 9.30am – 2pm.

All those keen to be better at reading courses (and over 16 years-old) should try and make all (or part) of the weekend. Warning . . . once you are there you won't want to leave!

All the details are in this infosheet [Training Day Info Sheet](#)

I really recommend these sessions, I learnt heaps at the last one I went to. We have deliberately put this training in the middle of the school holidays so our teenagers aged 16+ can join in.

No registration is required. It will be great to have you there if you are free to come - it's something not to be missed.

Calendar Changes

Trevor Ennor has agreed to the new date of 13 September for the third winter handicap score at Ranui. (He will still be lambing on our earlier proposed date)

George Christison has agreed to the new date of Sunday 8 November for the OY Score on our new and extended map at Guthrie Smith. (On the earlier proposed date he will still be lambing)

To fill the gap in the programme left by these two changes there will now be a novelty event in Hastings on Sunday 23 August in the form of a MapRun course with a mass start. All will be revealed closer to the time.

The Calendar on the club website will show that the helpers linked to these events have been retained for the new dates.

This year's AGM, Meal and Prizegiving will be held at the Puketapu Pub on Friday 4 December. This will be preceded by a relay-style event at Puketapu School.

Peak Trailblazer

This year's Peak Trailblazer (under new management) will be held on Sunday 22 November. While it is not one of our events, it is one a lot of us like to do. It will not clash with any of our events.

This week's trivia question . . .

In the film *Independence Day* (1996) which side won?
