ANNUAL HIGHLIGHTS

HBOC GENERAL TIMELINE

Preface

There are five documents making up the club history.

1. Club Officers, Cups & Trophies

This is effectively the clubs "Trophy" boards. Lists are kept of the Club Officers, Life Members and Cup / Trophy winners for each year. Club Age Grade champions and Junior Certificates are not listed. You will need to go through the old Compass Points or Minutes of the AGM's .

2. General Timeline

Lists the club officers and committee, subscriptions and map fees, maps, equipment and highlights for each year. Note that the year in which a map was made may be wrong by one year.

3. Major Events

Lists the "Major" events the club has undertaken. This includes any NZOF badge events, Course Setting Competitions, Mountain Marathons etc., plus any "special" events run by HBOC (eg) Macpac Kaweka Challenge, Smedley Long O.

4. Mapping

Notes and samples of every map made by the club.

5. Results

Lists all the HBOC event results, not including "major" or "badge" events

The first attempt to record the clubs history was by Colin Tait in the mid 1980's. The four documents making up this club history were first compiled in 1999 from the following sources in the club archives...

Compass Points.
HBOC Minutes.
Presidents and Treasurers reports to the AGM's.
Programmes and Results for major events.
Colin Tait's notes on the years from 1979 to 1985.
Members memories.

Digital copies of all Compass Points were made in late 2008. All Compass Points are now available either on CD or on the club website.

Digital copies of all committee minutes and reports were made in late 2009. Minutes and reports are only available on CD, not the website.
