

ARATAKI

Arataki (2007)

ocad

2007

Location	Havelock North, eastern side
Date	January 2007
Type	Streets, reserves and schools.
Scale & Contours	1:4,000 (no contours).
Source	Hastings District Council
Cartography	David Fisher (ocad)
Fieldwork	Steve Armon (December 2005 – January 2007)
Field checking	Steve Armon
History	<p>This map was made for the schools to give them a bigger area near to the school for orienteering.</p> <p>First used 21st Feb 2007 in a club Summer Series evening event.</p>
Note	<p>This map was based on dxf files of roads from the Hastings District Council and the “Havelock North High School” map. Some “trickery” had to be used to fit the school map in as the roads didn’t line-up correctly.</p> <p>This map makes the “Havelock North High School” map obsolete, as the school is now a part of this map.</p> <p>This is the base map for the following maps:</p> <ul style="list-style-type: none">- Kingsgate 1:4,000 a training map for Havelock North High School- Havelock North Schools 1:4,000 Havelock North High and Primary schools- Hereworth 1:2,500 a map of Hereworth school grounds
Jan 2010	The Havelock North High school and Intermediate school area was updated to Sprint O mapping standards and a special sub-map “Arataki”!! was used for the Morrison families fundraising series “Sprint the Bay 2010” in January 2010. (This version of the map had 240 colour table items and 110 symbols !)
Mar 2010	The updated school area was merged back into the master map (25 hours) and the whole map tidied up.
Oct 2015	The updated Havelock High and Intermediate school for WOA Sprint Champs.
Sep 2018	Added Romanes Park and updated Guthrie Park.
Feb 2020	Hereworth school moved to it’s own map.
