 History The first use of this map was to be the H.B.Secondary School Champs on 6<sup>th</sup> May 2001. However the farm was used to hold 2000 cattle for live export that weekend, so the event was delayed for one week. The maps were all preprinted for each course and everything was ready when the news came through on Wednesday 9<sup>th</sup> that MAF had imposed a quarantine on the farms. The event was then shifted to the Horseshoe Bend map, the courses redesigned and preprinted maps drawn by hand, all in 4 days. There were approx. 80 students at the event.

The first use of this map was for HBOC OY1 on 17<sup>th</sup> March 2002.

Note that this map joins onto the Horseshoe Bend, Te Mata and Te Mata Peak maps.
