

PHILLIPS FIELD

Phillips Field (2017)

ocad

2017

Location	Rowe Road, off Middle Road, Tukituki River
Date	September 2017
Type	Farmland and Bush
Scale & Contours	1:10,000 with 5m contours
Source	HBRC LiDAR data
Cartography	Ross Morrison
Fieldwork	Ross Morrison
Field checking	
History	First used October 2017 for NZOF Middle distance champs

This remaps the bush area originally on the “Phillips Bush” map (original spelling wrong, should only be one ‘L’) where Roger Bee pace counted along the hill tops from a fence while Brian Crawford drew the contours freehand. Roger then matched up the contours to the hill tops.

Does not replace the Rowe Road map as it does not include the farmland from the slip area west to Middle Road..
